

# Issues Tracker

DDEX is tracking all (well: most) of its work items, large or small, in a issue tracker. The issues are listed below. There are lists for various areas of standardisation:

- Release deliveries
- Sales and usage reporting
- Issues regarding the communication amongst/with Music Licensing Companies
- Issues regarding works licensing

In addition there is a tab for issues that apply to all DDEX standards and issues that have already been resolved.

## All Open Issues

### All Open Issues (20 issues)

| T | Key    | Summary   | Assignee         | Reporter         | P | Status      | Resolution | Created    | Updated    | Due |
